

TANKLESS RO SPEC SHEET

REVERSE OSMOSIS DRINKING WATER

7-Stage Tankless RO

Under-sink • 800 GPD on demand
• no storage tank

AT A GLANCE

System	Tankless RO
Stages	7 + alkaline option
Output	800 GPD
Drain	2:1 pure-to-drain
Warranty	1 yr system • 1 yr labor

High-output tankless reverse osmosis that makes water on demand, so there is no storage tank taking up your cabinet. Seven stages of filtration, a 2:1 pure-to-drain ratio, and quick-change cartridges. Works on its own or paired with any BluePeak whole-home system.
