

UV PURIFIER SPEC SHEET

ULTRAVIOLET DISINFECTION

Whole-Home UV Purifier

Neutralizes 99.9% of bacteria · chemical-free · point of entry

AT A GLANCE

System	UV purifier
Kills	99.9% of bacteria
Added	No chemicals
Bulb	Annual, spare included
Warranty	5 yr unit · 1 yr labor

Ultraviolet light neutralizes bacteria, viruses and cysts as water enters the house, so every tap is protected. Nothing is added to your water and nothing is left behind. Typically installed as the final stage after a BluePeak whole-home or well-water system.

Chemical-free

Point-of-entry

Spare bulb included

5-year unit warranty
